Sir:

Applicants have attached hereto documents in support of their request to correct inventorship. In accordance with 37 C.F.R. 1.324 this request for a Certificate of Correction is made:

- (A) where the only change being made in the patent is to correct inventorship;
- (B) all parties are in agreement and the inventorship issue is not contested.

This petition to correct inventorship is a request wherein one inventor was not named through an inadvertent error which error arose without any deceptive intent on the part of the named inventors, the inventor not named, and/or others involved in the preparation and prosecution of the application resulting in the above-referenced patent.

The patent 6,911,425 B2 is currently assigned to Acologix, Inc. The new inventor being added has attached an assignment to Acologix, Inc.

Applicants have attached hereto a statement from the person being added as an inventor that the inventorship occurred without any deceptive intention on his part.

In addition this petition has attached hereto a statement from the currently named inventors stating that they have no disagreement in regard to the requested change.

Still further attached hereto is a statement from the assignee (Acologix, Inc.) agreeing to the change in inventorship which statement is signed by an authorized officer of Acologix, Inc..

Lastly, applicants have submitted a fee transmittal sheet for the fee due in connection with the filing of this petition. In the event that any additional fees are required or overpayment has been submitted the Commissioner is authorized to adjust the fees utilizing our Deposit Account No. 50-0815.

Date: 28/July/06

Sir:

I, Motoyoshi Nomizu, have no disagreement with regard to the requested change in inventorship wherein I understand that I will be added as a co-inventor to the above-referenced patent application. Further, it is my understanding that the failure to name myself as an inventor when the original patent application was filed was an inadvertent error which error arose without any deceptive intent.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
